Welcome to a **Brighter Tomorrow**

At Lakshmi Educational Aid Foundation, we believe education, environmental stewardship, and empowerment are the cornerstones of a thriving society. Since our inception, we've dedicated ourselves to fostering innovation, sustainability, and equity across Karnataka and beyond.

Our Mission

To bridge educational gaps, promote sustainable agriculture, protect the environment, and empower marginalized communities through skill-building and awareness.

Our Vision

A world where every individual has access to quality education, sustainable resources, and opportunities to thrive in the 21st century.

”

Core Values

Equity

Ensuring access for all, regardless of background.

Innovation

Embracing creative solutions in education and agriculture.

Sustainability

Protecting our planet for future generations.

Collaboration

Partnering with communities for collective growth.

Join us in lighting the path to progress!

2025–2026 Programs

Education Initiatives

01

Science & Mathematics Book Distribution

- o Provide 5,000 free textbooks in English/Kannada to 9th/10th graders in govt schools.
- o Goal: Strengthen STEM foundations for underserved students.

02

Science & Art Fair

- o Annual event showcasing student innovations in science, tech, and art.
- o Goal: Inspire creativity and critical thinking.

03

School Conferences

- o Two conferences for educators on modern teaching methods and curriculum development.

04

Mathematics Awareness

- o Ramanujan Ride: Mobile math labs visiting rural schools.
- o Distribute 1,000 copies of Indian Mathematicians' Stories to spark curiosity.

05

Handwriting & Vedic Math Program

- o Blending traditional Vedic techniques with modern pedagogy.

06

Aryabhatta Center

- o Dedicated STEM hubs in schools for hands-on learning.

07

Special IIT/NEET/CET Coaching

- o Free intensive coaching for 100 selected 11th/12th class students from govt colleges.
- o Includes study materials, mock tests, and mentorship.
- o Goal: Bridge the competitive exam preparation gap for underprivileged youth.

Agriculture Programs

Farmer-Student Training

- o 3 workshops on agri-tech, organic farming, and market opportunities.
- o **LEAFLAT Initiative:** Linking farmers to tech tools for higher yields.

Environmental Initiatives

Climate & Classroom

- o Eco-curriculum integrating climate science into school activities.
- o **LEAFLET Campaign:** Student-led tree planting and waste management drives.

Empowerment Programs

Skill Development for Women & Youth

- o Workshops on digital literacy, freelancing, and green jobs.
- o **Goal:** Equip 500+ participants with 21st-century skills.

Join Our Movement!
